

ABUNDANT MINISTRIES FELLOWSHIP FALL CONFERENCE & GRADUATION BENIN WEST AFRICA

Rev Axe Freeman (our Abundant Ministries Director in Benin) conducted our 2009 fall conference and bible school graduation October 15 – 18, 2009 in Cotonou, Benin. This is our second conference in Benin since we launched Abundant Ministries Fellowship in January 2008, and this is our first graduating class from our bible school.

The conference opened with Bishop Samuel of Nigeria preaching from John 3:34 with the theme: **“Anointing without measure”**. Bishop Samuel shared how to make the Holy Spirit a part of your day to day journey in order to be successful in life and ministry.

In the evening service Rev. Freeman preached on **“The Yoke Breaker”**, he shared that the presence of God manifested as eight souls were born again and a number of people were delivered from demonic possession.

On the next morning Pastor Nestor (one of our Abundant Ministry affiliates) taught on the theme: **“Focus”**. After his message the altars were open for ministry and the Holy Spirit manifested His presence and brought a time of refreshing to our pastors and church leaders.

In the evening service Bishop Samuel ministered once again on spiritual warfare with a message entitled: **“Take It By Force”**. Following the message the pastors took time to enter into prayer and spiritual warfare on behalf of the cities their local churches are located in.

During the bible school graduation ceremony Bishop Samuel preached in the topic: **“Commitment To The Great Commission”**. Our bible school graduates were challenged with the responsibility of reaching their community with the Gospel of Jesus Christ.

The message was followed with Rev. Freeman and some of his Abundant Ministries bible school staff distributing diplomas to our first graduating class in Cotonou, Benin.
