DR. MICHAEL J. PANGIO

PAKISTAN AUGUST CRUSADES 2009

Rev. Azeem Sajjad (with microphone on left)

village out door crusade

Rev. Azeem (Abundant Ministries Pakistan Director) headed up a team and held an out door crusade in cooperation with one of our Abundant Ministry churches in Clarkabad.

He reported that there was a great response to the altar calls as people responded to the invitation of accepting Jesus Christ as their Lord and Savior. They also had prayer for the sick each night of the meeting and reported a number of healings had taken place as they laid hands on the sick.

(Note: we purchased a still shot & video camera for Pastor Azeem....he still has not figured out how to reset the dates on the camera. All the pictures in this news letter are from August 2010)

PERSECUTION IN PAKISTAN

Our Abundant Ministry Pastors have been informing us of persecution becoming more intense throughout Pakistan. The President of Pakistan has declared religious Freedom for the country, but radical Moslems and clerics have stepped up efforts in persecuting Christians without any recourse from the government.

Recently a young believer was falsely accused of burning pages of a Koran in order to stir up trouble against Christians (this was reported on CNN). This resulted in sixty Christian's homes being burnt down. The radical crowd literally laid across the road preventing fire fighters from responding resulting in two families (eight people) being burned alive in their homes. (See pictures below)

Christian home burnt down... casket & funeral of Christians who died in the fire

Your Prayers & Financial support is greatly appreciated as we continue to support and equip our Pastors in the nation of Pakistan. If you would like to contribute to our missions program please make your check out to Abundant Ministries and mail it to the above address. God Bless: Dr. Michael Pangio
