

INDIA UPDATE

ABUNDANT MINISTRIES FELLOWSHIP OF CHURCHES AND MINISTERS

Dr. Michael Pangio of Abundant Ministries and Rev. Richard Myers of New Life (Millville N.J.) working together under their joint missions ministry “ABUNDANT LIFE”, traveled to India April 29 – May 6, 2008. We traveled to Mumbai (formerly Bombay) and stayed over night in the city. The next morning we flew on to Chennai (formerly Madras) where we stayed during our time in India.

Pastor Joseph No No (a spiritual son of Rev. Myers) heads up our fellowship of churches in India under the name of “New Life Churches of India”.

Pastor Joseph and his wife Shekinah
and one of the local churches in the fellowship(in background)

Pastor Joseph now has fifteen (15) churches under his care who are a part of the fellowship.

Our ministry scheduled for the first part of the week consisted of a Leadership Conference for pastors. We had a rented hall in which to hold the teachings segments of the conference, as well as an attached room for serving meals to the pastors. We had seventy one (71) senior pastors who attended the conference. Rev. Myers taught on “Spiritual Authority” and the Personal Life and Family of the Pastor. Dr. Pangio taught on “The Biblical Order of Spiritual Sons”, and “The Pastor’s Dream”. The Indian Pastor’s were blessed and challenged by the Word of God that went forth.

Pastors attending conference

flyer promoting the conference

Each day of the conference the pastors were served lunch, as well as tea during the breaks.

Housing was provided for the pastors at a lodge reserved for them. Each day they would board a train near the lodge and travel to the conference center. Rev. Myers and I traveled one hour and forty five minutes (one way) from our motel to the conference center. Pastor Joseph determined that it was unsafe for us, as well as the pastors traveling by train to travel at night. The conference center was located in the midst of a heavy Hindu area, and due to having to limit out meetings to the day time hours we could not hold evening revival services at the conference center.

Picture of one of the villages we drove through on our way to the conference. We also passed through some of the region hit by the tsunami. Most of the people were living in huts and extreme poverty.

Local Church Service: On Saturday afternoon we traveled two hours to minister in one of our affiliate churches. Dr Pangio preached a message entitled: “Your Spiritual Identity”. Rev. Myers came forth during the altar ministry and flowed in the prophetic. Afterward we both laid hands on and ministered to the congregation. The Spirit of God manifested and touched the lives of people thru healing and deliverance.

Your prayers and financial support for our mission ministry is greatly appreciated.

Thank You.

Dr. Michael Pangio
