

ABUNDANT MINISTRIES FELLOWSHIP OF CHURCHES AND MINISTERS

MISSION UPDATE- CHAD MAY 2011

On Saturday 16th of April 2011, I **Pastor Success NKONGHO** travelled to the Islamic nation of Chad here in Central Africa to officially inaugurate the **ABUNDANT WORD BIBLE COLLEGE-CHAD** in the City of **Dnjamena**.

We arrived Chad at 9:14pm. On behalf of Pastor Permission who was not present, we were received by **Rev Dr Simon Jaoue**, he drove us to his private residence where we lived for 4 days and we were all fasting during these four days for Abundant Ministries Worldwide, its expansion, provision and for Divine Direction.

Then on Thursday 21st April, we checked in to a Hotel for convenience purposes because there was no water system in the house where we were neither was there steady electricity system. We just managed to stay there for 4 days because of the prayers and fasting.

On Friday 22nd April and Saturday 23rd of April, we sent letters of Invitation to all the Church leaders in Dnjamena and we also sent sms/text messages to all the Previous pastors who started with in the Month of December 2010 and had started studying with **Abundant Word Bible College**, inviting them for the Official Inauguration of the School.

On Friday 29th of April, we saw the participation of 283 Pastor and Ministers of the Gospel from over 196 different Christian Denominations all from the City of **Djamena** for the Official Inauguration of the **Abundant Word Bible College**. During my Inauguration speech, I encouraged the Body of Christ in Chad to be Part of the **Abundant Word Bible College** which I call "*a new move of God in Africa*" many Church Leaders and Senior Pastors Registered immediately. We gave them 2 TV, 2 DVD players and 4 packets of Complete Bible School materials instead of 7 as we promised them before. Though they still need more materials, yet they were overwhelmed with joy and they promised to manage with the few materials that they have for the different campuses (7 in number) in **Djamena** City until God provide more materials.

On Saturday 30th April 2011, we travelled to the North of Chad in the City of **Tibesti** to meet the Pastors there and to inaugurate the **Abundant Word Bible College**, we held the Inauguration on Sunday 1st of May at 5pm with the Participation of 102 Ministers of the Gospel Including some Church leaders and senior Pastors. Many Registered into the **Abundant Word Bible College** and we gave them a TV, a DVD player and 2 Bible School packs, though they still need more. This Great work was done by the 7 persecuted pastors whom we gave scholarship to study at no cost in the Month of December 2010; many of them need our support in order to be part of the school and to do the Word of God effectively

On Monday 2nd of May 2011, we returned to Dnjamena city and from Tuesday 3rd to Friday 6th may, the Djamena Students decided to go out for street Evangelism for the first time in this Islamic nation. They had the courage and faith to do so after they attended the POWER EVANGELISM Class taught my Dr Reihnhard Bonnke. The Outreach was fruitful and Chad shall not remain the same again. We Thank God to the Abundant Ministries President Dr Mike Pangio and to his partners.

On Saturday 7th of May, we returned back to Cameroon
