## APRIL – MAY 2011 UPDATE: TOGO WEST AFRICA

In April we sent our Togo Director Pastor Dzotsi Koffi Elom \$600 to purchase an irrigation pump. Dr. Dwight Martin of the Florida Beacon Bible College & Seminary contributed \$400 towards this project; we send Dr. Martin a special thanks for his generosity.

Pastor Koffi has started a few programs in Kpalime, Togo that helps generate funds for the “work of the ministry”. Some of the projects include: raising pigs and chickens which they bring to the market for sale.

Also, Pastor Koffi has land that is used for planting a variety of crops which are also taken to the market and sold.

The pictures give us a glimpse of these on going projects which help fund the running of our Abundant Ministries Bible School, Christian School for the youth, and building projects.

## **ABUNDANT MINISTRIES TOGO SPRING CONFERENCE:**

**Under the Leadership of Rev. Koffi our affiliate Abundant Ministry Churches and Ministers gathered together for their annual spring conference. Day time Leadership Sessions were held as well as evening revival services. Pastor Koffi reported that the presence of The Lord rested upon the meetings as souls were saved, believers strengthened and ministers of The Gospel of Jesus Christ were encouraged in the work of The Lord.**

**Your prayers and financial support are greatly appreciated, as we continue to spread the Gospel of Jesus Christ throughout the world by: Conducting Leadership Conferences, Planting Bible Schools & Churches, holding revival services, and out door crusades.**
