Abundant Ministries West Africa Director; Apostle Julius Winker traveled with his team from Monrovia, Liberia to Freetown, Sierra Leone. Upon arrival they connected with our Sierra Leone Abundant Ministry Director; Rev. Alfred Amara for a three day Leadership Conference, evening Revival Services. The team also ministered in various Abundant Ministry Churches on Sunday. Rev Alfred & Frances Amara hosted our fall leadership conference and bible school graduation November 19 – 21, 2008 in their local church (End Times Ministries), which is located in Freetown.

The day time Leadership Conference held in Pastor Amara's church included the following topics:

1. Spiritual Authority
2. Loyalty and Disloyalty
3. Understanding the Times
4. Keys to Successful Ministry
5. The Making of Spiritual Leaders

This was our FIRST BIBLE SCHOOL GRADUATING CLASS in class in Freetown, Sierra Leone. Rev. Alfred Amara and his Dean of our Abundant Ministries Bible School; Rev. Solomon P. Stevens have done an excellent job in running the school in the midst of very difficult economic conditions in this nation. The new government of Sierra Leone sent an official representative to attend the graduation ceremony. Rev. Winker delivered a challenging message to the graduating bible school students and members of the congregation that were in attendance.

It was a proud moment for the fifteen graduating students who walked across the platform to receive the fruit of their labors; a diploma that stated they have earned an accredited Associates Degree in Bible Theology. The class consisted of Senior Pastors who are already serving in ministry, as well as young men and woman who will serve on a local church staff or go out in planting a new Abundant Ministries local church under the spiritual oversight of Rev Amara.

The names of the graduating class are as follows:

Alfred Amara	Sahr Titus George	Tatia Marra
Frances Amara	Steve Steve George	Elisha Alah
Bockarie Bonnah	Prince Sheku Kaifa	Michael Sankoh
Rosaline Brown	Alfred Rise-Up Kallon	Solomon Stevens
Jacob Charley	Alfred Mattia	Dauda Serry

CONGRADUATIONS AND MAY THE BLESSING OF OUR LORD JESUS CHRIST REST UPON THEIR LIVES AND MINISTRIES

Evening Revival Services:

Each evening Rev. Winker and his team held reveal services in three different Abundant Ministry Churches in Freetown. By holding services in three different locations it enabled members of our congregations to attend without being burdened with transportation costs.

The Pastors of these three Abundant Ministry churches gave testimonies in the morning Leadership Conference of souls being saved, healed and delivered by the power of God. PTL !!!!!
