

ABUNDANT MINISTRIES FELLOWSHIP 2009 FEBRUARY MISSIONS UPDATE

LIBERIA, WEST AFRICA

On January 28-30 Abundant Ministries held a regional conference entitled “THE RAIN IS COMING AGAIN”. On the first day of the conference Rev. Daniel from Benin, West Africa preached on: “When the rains come”. The second day of the conference Rev. Esau Jasper of Monrovia, Liberia spoke on: “Keeping under the cloud”. Rev. Julius Winker closed out the final night of the conference and ministered on: “Atmosphere for the rain”.

Our West Africa Director (Rev. Julius Winker) reported that fifteen Abundant Ministry Churches participated in the regional conference held in Monrovia, with over three hundred people in attendance nightly. Rev. Winker reported that several people were “Born Again” and a number of people rededicated their lives to Our Lord Jesus Christ, others were healed from sickness as the power of God manifested during the time of ministry at the altars.

Below are a few pictures from the conference:

Also we have purchased and paid in full a Toyota 4 Runner for \$7,000.00. Rev. Winker is filing the international transportation papers which will enable him to take the vehicle through Customs, as he travels to the other West Africa nations conducting Abundant Ministries business and ministry. Thank you for your generous giving.

NEWS FROM GUINEA, WEST AFRICA

On December 23 President Conte of Guinea passed away. The government was then overthrown by the military. Captain Moussa Dadis Camara seized the office of the presidency. Captain Camara said he will maintain control of the nation for two years and then open up the country for new elections.

Our Abundant Ministries Director in Guinea: Rev. Taffame Agbessi K. Cyrille has reported that some degree of peace is beginning to return to the country and all the Abundant Ministry Pastors and churches are all safe.

In April 2009 Rev Julius (Abundant Ministries West Africa Director) will travel to Guinea and conduct our annual Abundant Ministries Conference and officiate a bible school graduation ceremony during the conference for our first graduating class from our Abundant Ministries bible in Guinea.

NIGERIA and CAMEROON

Dr. Pangio has sent Rev. Axe Freeman (our Abundant Ministries Director in Benin) to Nigeria and Cameroon. He is currently meeting with pastors in key cities in these two nations and working out the details for Dr. Pangio's trip to these nations in August of 2009.

Upon Dr. Pangio's arrival in August he will hold a city wide pastor conference, plant a bible school, officially launch Abundant Ministries, as well as hold revival services in some of our new affiliate churches in both of these nations.

Please keep Rev. Freeman in your prayers as he travels for about three weeks through Nigeria and Cameroon.

Rev. Julius Winker of Liberia and Rev. Axe Freeman will be joining Dr. Pangio in August as a part of the Apostolic Team for this mission project.

Kathmandu, Nepal

February 18 – 27, 2009 Rev. John Harper of Decatur, Illinois will be joining Dr. Michael Pangio to conduct a Leadership Conference and plant our first bible school in Kathmandu. Rev. Pangio has been working with Rev. Debendra Kumar Sambahamphe in Kathmandu. He has done an excellent job in coordinating this mission's outreach, and has fifty senior pastors registered for our Leadership Conference.

Nepal is a Buddhist nation, animal sacrifice and demonic worship is an every day occurrence. Christianity has only had a very small impact upon this nation at the present time. We are believing to expand the Kingdom of God in this nation by planting new churches with the graduates from our bible school we are planting in Nepal. Your prayers would be greatly appreciated as Dr. Pangio smuggles the bible school materials into Nepal, as well as joining us in intercessory prayer by binding the "strongman" of Nepal in Jesus Mighty Name.

PRAYERS and FINANCIAL SUPPORT

Your prayers and financial support are greatly appreciated I also want to thank the members of our Abundant Ministry Churches who have committed to making a 2009 Mission Pledge. If you would like to partner with Dr. Pangio in his missions outreach with your financial support please send you're offering to:
